Docket Control
C/O Arizona Corporation Commission:

I support the Rhodes Homes development in Golden Valley, AZ. This development will provide affordable housing for people moving into the area as well as people currently living in the area who want to move into a new home.

The planned development will provide a variety of activity outlets, such as golf, tennis, swimming, walking, as well as shopping – to name a few, which will really make this area an asset not only to Golden Valley but to the Kingman area as well.

Therefore, I would strongly urge you to take a close look at and to vote in favor of docket numbers SW-20379A-05-0489 and W-20380A-05-0490.

Sincerely,

Gene Moore
